Sir,

With reference to Government Proceedings No. 127 dated 3rd July 1901, I have the honor to state that Mr. T. Richards, non-official member of the Sanitary Board, did not absent himself from any of the Board meetings until he left for England, on the 28th May 1901.

2 At the last meeting held on the 17th of June 1901, he was absent for the first time, but as he is not likely to return from England for 4 or 5 months, he will necessarily be absent

for about 5 Consecutive meetings of the Board.

3. There is no rule under which Mr Richards could be considered to have forfeited his right to a place on the Board. But the suggestion to provide for the appointment of substitutes for absent members, has not been approved Government, and I therefore request that the resolution now passed viz. to take Mr G. Y. Mathews as temporary non-official member may be kindly approved.
